Our 'Red Letter Day' is a VIP taster experience, designed to give you a glimpse into the profound connection that is possible with horses. It's an opportunity for you and your group to hang out with our herd in their natural environment, allowing you to discover the joy of being a part of the horse's world.

As you connect with the horses, you'll also deepen your connection with each other. Take time to restore your spirit, share joy, and create heartfelt moments.

Reawaken your innate bond with nature and animals.

Let them lift your spirits whilst being in their presence.
